Dear [Redacted]

In connection with the investigation of the House Select Committee on Assassinations into the death of President John F. Kennedy, I am writing to request that the Central Intelligence Agency provide the following information to the Select Committee on Assassinations:

1. A detailed written statement indicating both whether Lee Harvey Oswald was ever contacted in any way by any CIA officer, agent, contractor, or other CIA employee or whether Oswald himself ever initiated such a contact. If so, please indicate the circumstances under which such contact was made and identify those persons who contacted, spoke to, or interviewed Lee Harvey Oswald on behalf of the Central Intelligence Agency.
2. A detailed written statement indicating whether the Central Intelligence Agency, from 1958-1963, interviewed or debriefed former American defectors to the Soviet Union who repatriated to the United States. If such interviews were conducted, please indicate whether they were done as standard CIA operating procedure. If such interviews were conducted but not as standard operating procedure, kindly indicate under what circumstances such interviews would be initiated.
3. A detailed written statement indicating whether Lee Harvey Oswald received CIA intelligence training or CIA intelligence-related training while serving in the United States Marine Corps. If so, please indicate the nature of this training.
